**When families talk about their Christian faith, good things happen.** Sunday school lessons become

life lessons, lived out all week long. Your family is important to our church, and we want to support your role as spiritual leader to your child. In our effort to provide the highest quality Christian education, the Children's Ministry at B3C is using Faithweaver Curriculum and to help you expand on each week's lesson there are on-line resources you and your family can utilize! Make sure to click on the **Home Connect Links** to explore more!

FaithWeaver makes Bible learning fun by using a variety of active experiences to help students learn in the ways they learn best. FaithWeaver also helps people of all ages "weave faith into life" by applying the Bible to their lives throughout every week. With FaithWeaver, students walk through the Bible over the course of three years.

Research shows that the most powerful influence on children's faith development is the conversations about faith that take place in the home. We want to partner with you in your child's Christian education. With the resources that are part of FaithWeaver, you can make a huge contribution to your child's Christian growth by leading activities and discussions that help make connections and apply what's learned at church to daily life. That is why every week your child will receive a take-home paper that includes ideas for family discussions and activities that will help cement what your child learns at church.

We hope you'll find encouragement in your role as a parent and a spiritual leader for your child. May these tools serve to remind you how important you are in your child's life-and how blessed you are to be entrusted with this awesome responsibility!

We are here to help as well. Don't hesitate to contact one of our Team Members if you have any questions.

## TEAM SPOTLIGHT

### Tammy Hitchcock - Team Leader

I've been involved with youth groups since I was a child and in college I feel God really blessed me beyond the norm with my BSU group. There I became involved in scripture memory, a drama and puppet ministry. These, along with backyard Bible Clubs gave me a love for a mission-based ministry. I've traveled to Mexico, New York, North Carolina, and St. Lewis as a missionary through my church and the Home Mission Board. Now I get the opportunity to teach your children here at B3C and share God's word with those in the church as well as those in 3rd grade at Lone Oak Elementary. I love the Lord and want always to be in His will. My favorite memory verse is Jerimiah 29:11 "I know the plans I have for says the Lord, plans to prosper you and not to harm you, to give you a hope and a future." Please always keep our ministry with the children in your prayers. We are always looking for people who feel God is leading you to work with children. Please just let us know.

Tammy and her husband Josh met on the mission field. They have been married 8 years and have 2 beautiful children, Karissa 7 and Matthew 6.
