**02/07/10**

**Living for the One who branded us.....JESUS!!**

**This was a great week around B3C! But then just about every week is a great one when you're livin' for the Lord! Last Sunday's congregation numbers were really up when "Branded" performed. They did an amazing job and everyone was blessed by their music and the ministry they are doing.**

**We had a great crowd this Sunday also. Most of our band was back together this week with some new songs. Perry and Gina Stroder did a funny skit encouraging folks to come and take part in the upcoming Valentine's Day Variety Show. Our newly elected elder Perry Stroder was announced as well as Ministry Assistant Paul McMerrell. Pastor Mike brought a great message titled "Love Is..." using his dog Woodrow as he showed an example of God's love and devotion.**

**"For God so loved the world that he have his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16 (NIV)**

**Saturday morning was the monthly men's breakfast. These fellas are really forming a close group and just keep growing. They had nearly 50 there and it was reported that Bob Bates gave an inspiring devotional that touched the hearts of many.**

**A good number of our youth went to the "Silver Ring Thing" in Commerce last weekend. It's similar to the "Love Can Wait" program. We are so proud of all our youth and especially to those who took this step.**

**Starting next week on Wed. At 6:00 we will start a new Bible study on Revelations in the main sanctuary of the church. This will be in place of the regular 6:30 study and will be led by Elder Larry Davis. Anyone is welcome to come and join us.**

**The Tuesday night men's Bible study is starting a new study next week also and they would love to have you join them.**

**Saturday our Senior Outreach will be at Green Acres in Emory. Come on out and help them minister in song to the residents there.**

**Some of the ladies have formed a group to make quilts for critically ill children. It's part of a nationwide program. They are having a "quilting day" on Sat. Feb. 20 from 9:00-5:00. If you can come for any part of that day they would love for you to. For more information notify Dana Reed or Lisa King.**

**That's about it for news. Hope you all have a blessed week.. Happy Trails!!**
