Living for the One who branded us.....JESUS!!

Hope ya'll had a blessed week! We certainly have around our neck of the woods.

We're still having great crowds for our Sunday services at B3C as well as all of our extra activities. We had around 416 folks this past Sunday. Our ministry assistant Paul McMerrell brought the message which included a personal testimony and a message of hope titled "Out of Darkness and Into the Light".

When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." John 8:12 NIV

Wednesday evening Brother Larry Davis had a large crowd for the first night of his Bible study on Revelation. Everyone is very excited about this study. Come on up and join us at 6:00pm.

Saturday was the "Quilts for Kids" quilting day at the youth barn. It was a great success with some new faces there with lots of ideas and skills. The ladies reported a great time of fellowship and fun.

A large number our B3C folks, including Paul and I, went to Dallas Saturday for the PBR Iron Cowboy Invitational at the new stadium in Arlington. We had an amazing time going out to eat, enjoying the activities in the Fun Zone, attending the Family Fellowship time where we heard Lane Frost's mother speak as well as some of the bullriders, then hearing Gary Allen and Justin McBride perform and then seeing the exciting bullriding. It was a funfilled day and evening with friends and church family.

Pastor Mike and Kathy arrived back home after a lengthy trip to another of the TFCC Ranch House Schools down near Corpus Christi where they both do workshops. We have attended some closer to our area and they are always a blessing.

Next Sunday at 4:00pm the "Silver Ring Thing Ceremony" for our youth will be held. Come and join them for it, then stay for the Free Family Movie "No Greater Love" in the main sanctuary. This will be the kickoff for our churchwide Spring Small Group Bible Study, "Sacrifice and Salvation". Plan to join a small group before it starts!

That's about all the news for this week. Remember prayer should be our first resource...not our last resort! Happy Trails!!
