**Living for the One who branded us...JESUS!!**

**What blessings we've had this summer! Too numerous to count.**

**We had great services Sunday with a good crowd for both. Our early service numbers seem to be growing each week. We started off with some good music, then Pastor Mike's message was titled "Good Enough", talking to us about how God wants us to be humble doers and be perfect at loving others.**

**"This is a trustworthy saying. And I want you to stress these things, so that those who have trusted in God may be careful to devote themselves to doing what is good. These things are excellent and profitable for everyone." Titus 3:8 (NIV)**

**The Kids Corral kids went to the TFCC church camp in Aquilla, TX last Friday through Monday. Fifty kids and adults went and they reported a great time of fun, fellowship and worship.**

**The Bull Creek Youth head off for camp in Oklahoma in a few days. They passed out prayer cards with their individual names on them asking folks in the congregation to be their prayer support partner while at camp and some with phone numbers to call them while they're there.**

**The Outdoor Ministry's 3-D archery shoot was Sunday afternoon. I'm sure they had a great (but hot) time of fellowship. I didn't hear who the top shooters were.**

**Our Senior Outreach Ministry will be at Parkhaven Nursing Home in Greenville on Saturday. Join them and be blessed.**

**The Celebrate Recovery program at Bull Creek has been having good attendance lately. It's a great place to worship and fellowship and meet with others who have similar hurts, hangups and habits. If you're looking for something and can't quite find it, join them on Fridays at 7:00pm.**

**We are starting back up with the free movie nights in August. The first one is scheduled for August 15. More details later.**

**Also, in August the closest Cowboy Church Planting School for a while is coming up. It will be in Stephenville on August 28-29 at the Cowboy Church of Erath County.**

**That's about it for now. Hope ya'll are blessed all week. Happy Trails to all!!**
